Dear Colleagues,

Subject: Nuclear Safety Officer in the Safety Office of the DEMO Central Team

The Nuclear Safety Officer will work in Garching, Germany, and will report to the Head of the Safety Office, who is also the Work Package Safety Leader (WPSAE). Candidates who are interested in joining the DEMO Central Team and working remotely from the home lab are invited to apply as well; in this case regular visits/short secondment periods to Garching can be arranged.

The applicant will ideally already have a work contract with a EUROfusion Beneficiary or Affiliated Entity and will be seconded to the EUROfusion Programme Management Unit (PMU) in Garching, Germany. Otherwise, a work contract with one of the EUROfusion Beneficiaries or Affiliated Entities will have to be secured ahead of the secondment to the PMU. The application shall be sent by a supporting EUROfusion General Assembly member.

The EUROfusion secondment will be until 31st December 2025 and can be extended until 31st December 2027, subject to the extension of the EUROfusion Grant Agreement. However, the actual labour contract might be subject to the rules, regulations and conditions of the Beneficiary that employs the applicant.

Please send your completed application, including CV, cover letter, and examples of your past-related work experience to: joelle.elbez-uzan@euro-fusion.org

Yours Sincerely,

Ambrogio Fasoli
Programme Manager
